■ A NIGHT TO REMEMBER

Preparations are underway for the Rogers High School / NACTC fundraiser, A Night to Remember at Rosecliff on Friday, March 22nd. The popularity and success of the two prior A Night to Remember events has led to a larger venue and a larger vision for the help we can provide our students at Rogers and NACTC much needed funds.

Dozens of students will showcase their talents from the culinary, cosmetology, graphics, art and music departments in this joint venture with local businesses. The event has also led to job offers being extended by the participating community partners to the ambitious students. The highlight of the evening will be a fashion show featuring exciting regional designers and unique styles from local shops and boutiques.

The goal of the event is to raise \$18,000-\$20,000 to pay for the cap and gown's for this years graduation and to purchase some new equipment for the NACTC programs.

The event is co-hosted by Jen Carter Photography and Newport This Week. For more information or to purchase tickets for this event please go to the website to learn more. www.ANighttoRememberNewport.com.
