What is a School Reform Plan?

RI Department of Education’s accountability system places schools in one of six categories:

- Commended
- Leading
- Typical
- Warning
- Focus
- Priority
RIDE's Intervention Process

**DIAGNOSIS & PLANNING**
Our district underwent a diagnostic screening and developed a plan for improvement that includes a comprehensive package of interventions.

**IMPLEMENTATION & MONITORING.**
The help of our district an improvement plan has been put into action. District leadership will oversee this process, through quarterly performance reviews with RIDE.

What are you thinking now?

What is PBIS?

Why do you think it is a priority to the state?
Climate & Culture

Climate

• Climate is feelings, attitudes, or beliefs.
  – Use one of your post-it notes to record what you think the climate is at Pell School.
Culture

- Culture is the shared beliefs and priorities that drive the thinking and actions of people in a school community (what you see)
  - Use one of your post-it notes to record what you see as an example of culture at Pell School.

Next Steps

- As part of the process of establishing a school culture and climate, we need to:
  - Increase adult understanding of PBIS
  - Celebrate successes in daily routines and procedures
  - Continue to show examples of student engagement through walk-throughs
  - Provide PD based on feedback
Exit Ticket

• Use a post-it note to record these three things:
  – 1. What do you still need to know about PBIS or Climate & Culture?
  – 2. Tell us if you are interested in participating in walking on a walk-through
  – 3. Your name
