

ATTENTION PARENT/GUARDIAN OF 18 YEAR OLD STUDENT

Even though your child has reached the age of 18 – the Age of Majority – we still defer to the parent or guardian to make decisions for the student until graduation or otherwise emancipated. That being said, we would like to provide parents and guardians with the opportunity to grant dismissal permissions for their student, but please note that if a student signs him/herself out of school he/she may not sign themselves back in on the same day unless the previous dismissal was due to a doctor's appointment or emergency.
