## Newport Public Schools School Facilities - Maintenance

---

No. 7300

Page 1 of 1

The Superintendent shall establish procedures for cleaning and maintaining all school facilities. The procedures shall provide for cleaning of all facilities on a scheduled basis and for a system of preventive maintenance.

As part of the annual budget, the Superintendent shall include funds for the preventive maintenance of all facilities.

On at least a quarterly basis, the Superintendent shall report to the Committee on the School Department's ongoing maintenance needs and progress on addressing those needs.
