## Newport Public Schools Students – Administrative Policies - Student Safety

---

No. 5168

Page 1 of 1

The safety of students shall be secured by the district through close supervision of students in all school buildings and all school grounds and through special attention to the following:

- Maintaining a safe school environment (safety experts shall be called in periodically to inspect the physical condition of all buildings and grounds,
- Observation of safe practices on the part of the school personnel and students,
- Offering safety education to students as germane to particular subjects,
- Providing through the services of a school nurse, first aid care for children in case of accident or sudden illness.

Furthermore, the School Committee expects all students to be under assigned adult supervision at all times when they are in school, on school grounds, traveling under school auspices, or engaging in school-sponsored activities.
