As established by law, the deadline for the School Committee budget process is May 15. This date is 45 days before the City Council must act to pass the entire Newport budget for the coming fiscal year.

In order for the School Committee to meet the May 15 deadline for an adopted budget, the Superintendent must present the budget requests of the school administration in sufficient time to allow deliberation and thorough discussion before May 15.

Effective December 1, 2017, the Superintendent will present a preliminary budget forecast based on current information.
