Newport Public Schools Administration - School Closings- Inclement Weather

No. 2510

Page 1 of 1

During occasions of actual or threatened inclement weather, the Superintendent shall determine whether to postpone the start of the school day, to end the school day early or to cancel the school session in whole or in part. In reaching his or her decision, the Superintendent shall, whenever practicable, consult with administrators from other school departments within the Aquidneck Island area.

The Superintendent shall also consult with the Property Services Director, the Police, and the Newport Public Works Department.

Absent extraordinary circumstances, the Superintendent shall make a determination regarding postponing the start of classes or canceling the school day as soon as possible.

History: EBCD, 1978; EBCD-R, 11/6/78
