

Family Update

Distance Learning-Week 12

June 7, 2020

June 7, 2020

Happy Sunday Newport Parents and Families:

We hope you enjoyed the weekend. Week 12 of Distance Learning begins tomorrow and our last week of school. There are five days to go!

FINAL WEEK: For Seniors and students that will not return to Newport Public School, it is very important that your Chromebook and other school books be returned to your child's school. Dates and times for Chromebook return have been sent out through your child's building principal.

Technology: If you need assistance with technology, contact the Help Desk at 1-800-253-7122 or helpdesk@npsri.net. A Spanish Technology Help number is available at 1-800-735-1775.

We need your voice-Re-entry Survey: As re-entry plans evolve, it is important that we have your input on how we can best support our students and families. Please take the survey provided [here](#) to help us in our planning. It should take no longer than 5-10 minutes.

New Calendar: A new statewide school calendar will be released this week and we will share the document as soon as it is received. We will also share more RIDE guidelines and information as they roll it out this week and throughout the summer months.

Summer Messaging and Updates: During our summer months we will be posting new updates on our NPS app and social media. We will also keep our local newspapers and community partners updated on our opening plans, as well keeping our outreach to parents and families throughout the summer months.

Report Cards: 4th Quarter report cards will be posted online on **Friday, June 12**. If you need assistance to access your child's report card, please email parentportal@npsri.net.

It is very important to follow Department of Health guidance and continue to wash your hands frequently. If you need anything, please contact your building principal, child's teacher, or my office at 619-5376.

Have a wonderful week!

Colleen Burns Jermain, Ed. D.

Superintendent of Newport Public Schools
